Cloud Computing – A Business View

Dr. Mario Pantano

Accenture

Wednesday 8 May 2013 – h. 11:00

*Seminar Room (ex Dip. Elettronica), D floor
Dipartimento di Ingegneria Industriale e dell'Informazione
Via Ferrata 3 - Pavia*

ABSTRACT

Cloud Computing is already well established as the newest technology direction. The seminar has the aim then to give an overview of the Cloud from a business perspective highlighting the major functional characteristics and how these will provide benefits to the enterprises. The seminar covers also the impacts of the cloud on the market and what are the expected evolutions.

BIOGRAPHY
